Fall 2009 Workshops
Loss and Traumatic Stress,
Child Sexual Abuse & Early Childhood
Mental Health Treatment Series

Friday, September 25th, 2009
Introduction to Early Childhood Mental Health
Chiara Nuzzo, PhD
9:00am-4:00pm University Center | Webb Room
ECMH Core 1 | ACT 48 | 6 CE Credits

Friday, October 2nd, 2009
Addressing Boundary Issues: Ethical and Clinical Considerations
Linda Knauss, PhD
9:00am-12:00pm University Center | Webb Room
LT Ethics | CSA | ACT 48 | 3 CE Credits

Friday, October 30th, 2009
The Heart of the Matter: Concepts and Techniques of Child Sexual Abuse Psychotherapy
Constance Pelesh, MS, LPC
9:00am-4:00pm University Center | Webb Room
LT | CSA Core 3 | ACT 48 | 6 CE Credits

Friday, November 20th, 2009
Lions and Tigers and Bears: The Multi-Systems Complexity of Child Sexual Abuse
Anthony Goldsmith, MA, Mary Hove, MA and Panel
9:00am-4:00pm University Center | Webb Room
LT | CSA Core 4 | ACT 48 | 6 CE Credits

Friday, December 4th, 2009
The Core Knowledge of Early Childhood Mental Health
Elizabeth Bogado Briganti, PsyD
9:00am-4:00pm University Center | Webb Room
ECMH Core 2 | ACT 48 | 6 CE Credits

LT = Applies to the Loss and Traumatic Stress Certificate Program
CSA = Applies to the Child Sexual Abuse Treatment Certificate Program
ECMH = Applies to the Early Childhood Mental Health Certificate Program

ACT 48 = Workshop approved for ACT 48 credits
Individuals do not need to be enrolled in a certificate program to participate in these workshops.

Note: **Mandatory Foundation/Core Knowledge** workshops required for one certificate program cannot be applied to another certificate program. Electives can be credited towards both the CSA and LT certificates, provided they are designated as applying to each certificate program. (See brochure description for each workshop).

Continuing education credits will be offered to participants completing post-workshop forms. The Institute for Graduate Clinical Psychology, Widener University, is approved by the American Psychological Association to sponsor continuing education for psychologists. Widener University maintains responsibility for this program and its content.

The Center for Social Work Education of Widener University is pre-approved by the Pennsylvania State Board of Social Workers, Marriage and Family Therapists, and Professional Counselors to offer **continuing education credits** for licensed social workers.

Certificate Programs
Loss and Traumatic Stress,
Child Sexual Abuse Treatment & Early
Childhood Mental Health

The Post-Graduate Center currently offers workshops in a series format towards three certificate programs. Participants can earn a certificate in:

- **L o s s a n d T r a u m a t i c S t r e s s**
- **C h i l d S e x u a l A b u s e T r e a t m e n t**
- **E a r l y C h i l d h o o d M e n t a l H e a l t h**

The Child Sexual Abuse Treatment Certificate is sponsored by **The Post-Graduate Center** in collaboration with the **Center for Social Work Education** at Widener University and **Family Support Line**. The Loss and Traumatic Stress and Early Childhood Mental Health Certificates are sponsored by **The Post-Graduate Center** of the Institute for Graduate Clinical Psychology at Widener University.

The series format allows for a greater depth of training in a chosen area of study than is typically available in half-day or single-day programs. The interplay between the workshops in the Loss and Traumatic Stress track and Child Sexual Abuse Treatment track allows some* programs to be credited to both certificates.

Our pledge is to continue to create workshops that provide accessible information to busy practitioners. All programs include multiple teaching methods, such as treatment videos, case presentations, role plays, group exercises, in vivo explorations of therapeutic techniques, and/or interactive discussions. In addition, each workshop is accompanied by handouts and suggestions for further reading.

M a x i m u m F l e x i b i l i t y

- Although these workshops are part of a series leading to a certificate, each program is also designed to stand alone, enabling participants to pursue specific topics of interest.
- Most full-day program morning sessions emphasize theoretical and empirical foundations, while afternoon sessions emphasize clinical applications. Participants may register for the full day or just the morning.
- While the programs are designed for mental health clinicians, educators and other human service professionals are welcome to attend individual workshops on topics that apply to their work.

C o n t i n u i n g E d u c a t i o n C r e d i t s

CE credits will be offered to participants completing post-workshop forms. The Institute for Graduate Clinical Psychology, Widener University, is approved by the American Psychological Association to sponsor continuing education for psychologists. Widener University maintains responsibility for this program and its content.

The Center for Social Work Education of Widener University is pre-approved by the Pennsylvania State Board of Social Workers, Marriage and Family Therapists, and Professional Counselors to offer continuing education credits for licensed social workers.

A C T 4 8 C r e d i t s

Most workshops are also approved for ACT 48 credits. Check the description for each workshop for further information.

*Mandatory/Core Knowledge workshops for one certificate program cannot be applied to another certificate program. Electives can be credited towards the Loss and Traumatic Stress and Child Sexual Abuse Treatment certificates, provided they are designated as applying to each certificate program. (See brochure description for each workshop).

**Loss and Traumatic Stress
Certificate Program**

Program Overview

Identifying, assessing, and treating clients who have been impacted by loss and/or trauma is a complex process. Participation in the certificate program will allow clinicians to gain an in-depth understanding of this process in a coordinated program of study, leading to a loss-informed and trauma-informed approach to clinical work.

Prerequisites for the Certificate Program

- Mental health professionals with at least a master's degree and a current license in good standing
- Current work in a clinical setting that includes clients grappling with loss and/or trauma

Program Format and Benefits

- 60 CE credits of approved workshops
- Completion in 15 to 36 months
- Mandatory Foundations and Mandatory Ethics workshops*
- Choose from among a number of other workshop topics to best fit individual interests
- Culminates in an integrative oral case presentation at Widener University
- Loss and Traumatic Stress Certificate of Completion

This Certificate Program enables participants to:

- Examine loss and trauma from a variety of perspectives, such as biological, developmental, psychodynamic, cognitive, behavioral, and social/cultural.
- Gain knowledge and skills related to screening, assessment, diagnosis, and treatment strategies.
- Apply perspectives and techniques learned to daily practice.
- Examine factors affecting vulnerability and resiliency.
- Recognize vicarious trauma and self-care strategies.
- Increase sensitivity to salient legal and ethical issues.
- Understand key factors in community crisis intervention.
- Examine concerns specific to particular circumstances, such as sexual abuse, traumatic deaths, and medical trauma.

*Mandatory/Core Knowledge workshops for one certificate program cannot be applied to another certificate program. Electives can be credited towards the Loss and Traumatic Stress and Child Sexual Abuse Treatment certificates, provided they are designated as applying to each certificate program. (See brochure description for each workshop).

To register for the Loss and Traumatic Stress Certificate Program, please complete the Certificate Program registration form located on our website (www.postgraduatecenter.org) or contact Antoneal Swaby at clinicalpsychologypgc@mail.widener.edu, and provide us with a copy of your current clinical license.

**Child Sexual Abuse Treatment
Certificate Program**

The Child Sexual Abuse Treatment Certificate is sponsored by **The Post-Graduate Center** in collaboration with the **Center for Social Work Education** at Widener University and **Family Support Line**.

Program Overview

Treating a child sexual abuse survivor can be daunting and scary. This certificate program will give you the tools to feel comfortable and confident in handling these cases. To receive a Certificate of Completion, a participant must complete 36 CE credits through the Child Sexual Abuse Treatment Certificate Program. This includes four required core knowledge courses and two electives that may be taken within a 12-24 month period. Core knowledge courses are offered once annually and electives are offered throughout the year. Participants may begin at any time in the program cycle. Workshops may be attended independently by those not wishing to receive a certificate.

Prerequisite for the Certificate Program

- Mental health professionals with at least a master's degree

Program Format and Benefits

- 36 CE credits of approved workshops
- Completion in 12 to 24 months
- Includes 4 Core Knowledge Seminars* and 2 electives

Required core knowledge areas:

- Foundations of healthy sexuality (Spring)
- Ecology of child sexual abuse (Spring)
- Concepts and techniques of child sexual abuse psychotherapy (Fall)
- Multi-systems complexity of child sexual abuse (Fall)

The full-day plenary session at the Annual Treating Child Sexual Abuse: Opening Pandora's Box conference counts as an elective towards this certificate program.

This Certificate Program enables participants to:

- Gain a significant knowledge base for treatment.
- Understand the bi-directional influences of child sexual abuse.
- Develop increased sensitivity and confidence in handling the complex dynamics of child sexual abuse.
- Recognize vicarious trauma and learn self-care strategies.
- Learn to apply perspectives and techniques to clinical work.

*Mandatory/Core Knowledge workshops for one certificate program cannot be applied to another certificate program. Electives can be credited towards the Loss and Traumatic Stress and Child Sexual Abuse Treatment certificates, provided they are designated as applying to each certificate program. (See brochure description for each workshop).

To register for the Child Sexual Abuse Treatment Certificate Program, please complete the Certificate Program registration form located on our website (www.postgraduatecenter.org) or contact Antoneal Swaby at clinicalpsychologypgc@mail.widener.edu.

**Early Childhood Mental Health
Certificate Program**

Program Overview

The Early Childhood Mental Health Certificate Program is a 12-24-month continuing education experience for the variety of the professionals already in the early childhood-family field and for those with advanced mental health degrees desiring to expand their services to families with young children. Group learning, mentorship and networking experiences provide theoretical and applied content, immersion in a community of providers, and guidance in applying new learning to current practice. A certificate of completion is awarded to those who participate in all program components. Psychology, nursing, and social work CEU's and ACT 48 credits are provided.

Prerequisites for the Certificate Program

- Mental health professionals with at least a master's degree and a current license in good standing. Current or intended future practice includes assessment and treatment services to families with infant, toddler and preschool-aged children
- Mental health support staff with associates or bachelors degrees currently working in home or center-based programs to support parenting and the behavioral development of young children.
- Early intervention and early childhood education professionals (including teachers, speech-language pathologists, and occupational & physical therapists) with at least a bachelor's degree desiring to increase their capacity to work with families to support the social-emotional wellness of young children.
- Pediatric professionals, including nursing home visitors, who desire to increase their capacity to work with families to support the social-emotional wellness of young children.

Program Format and Benefits

- Completion in 12 to 24 months
- Completion of 5 Core Knowledge Workshops* (30 CE credits total)
- Participation in Group Learning, Mentorship, Networking and Program Gathering components of program
- Early Childhood Mental Health Certificate of Completion

This Certificate Program enables participants to:

- Gain an introduction to the field of early childhood mental health and infant-family practice
- Build one's knowledge of the practice-relevant content and theory of the field.
- Gain an introduction to early childhood screening and assessment best practices
- Build one's knowledge of early childhood treatments and services, including parent-child dyadic intervention
- Engage in group reflective practice experiences
- Obtain guidance in applying new learning to current or future practice.
- Immerse themselves in a community of early childhood mental health providers

*Early Childhood Mental Health workshops may be credited towards other certificate programs as electives provided they are designated as applying to each certificate program (See brochure description for each workshop).

To register for the Early Childhood Mental Health Certificate Program, please complete the Certificate Program registration form located on our website (www.postgraduatecenter.org) or contact Antoneal Swaby at clinicalpsychologypgc@mail.widener.edu, and provide us with a copy of your current clinical license.

Fall 2009 Program Faculty

Chiara Nuzzo, PhD

is a licensed psychologist and a mental health consultant for early childhood-family programs in Philadelphia. Dr. Nuzzo is the founding president of the Delaware Valley Group/World Association of Infant Mental Health and is a graduate fellow of ZERO TO THREE. She coordinates The Post-Graduate Center's certificate program in Early Childhood Mental Health.

Linda Knauss, PhD, ABPP

is an associate professor and Director of Internship Training at Widener University's Institute for Graduate Clinical Psychology. She has served as a member of the Pennsylvania Psychological Association's Ethics Committee, and as Co-chair of the Philadelphia Society of Clinical Psychologists' Ethics Committee. Dr. Knauss has taught courses in ethics at Widener University, Immaculata College, and the Philadelphia College of Osteopathic Medicine. She has authored several book chapters and journal articles on ethics, and has taught many continuing education workshops on a variety of ethical issues. Dr. Knauss is the recipient of the 2002 Ethics Educators Award presented by the Pennsylvania Psychological Association's Ethics Committee, and the recipient of the 2004 Pennsylvania Psychological Association Distinguished Service Award. Dr. Knauss also maintains a private clinical practice where she sees children, adolescents, adults, and families.

Constance C. Pelesh, MS, LPC, NCC

is a licensed professional counselor with over 25 years of therapeutic experience treating sexual abuse and trauma survivors. As a staff member at Family Support Line for the past 18 years, she has provided psychotherapy, co-led support groups for adolescent girls, and served as a consultant in the prevention programs. She has received specialized training in dissociative disorders through the International Society for the Study of Trauma and Dissociation, and is trained in EMDR. She maintains a private practice in Media, PA.

Anthony Goldsmith, MA, BCETS

is a licensed psychologist with over 30 years of experience in the mental health field. In addition to his present position as Clinical Director with Family Support Line, he has an active private practice of psychotherapy with children and families. His areas of specialty include recovery from trauma and sexual abuse, evaluation, and treatment. Past professional experiences include clinical and administrative positions in foster care, community mental health, and sexual abuse treatment. He is the former Chief Operating Officer of the Joseph J. Peters Institute in Philadelphia. Mr. Goldsmith is also a member of the Pennsylvania Psychological Association and is a Board Certified Expert in Traumatic Stress.

Mary Hove, MS

is the director of education and training at Family Support Line, where she plans and implements child sexual abuse prevention programs for children, professionals, and parents. She also co-facilitates a group for non-offending parents. Mary has over 25 years of experience in the counseling and training fields. At the Domestic Abuse Project, she provided counseling to victims, prepared legal petitions, trained volunteers, and conducted in-services. As a college counselor, she provided crisis counseling, taught credit and non-credit courses, coordinated the peer counseling program, and implemented workshops for students around personal and career issues.

Elizabeth Bogado Briganti, PsyD

is a licensed psychologist developing a specialty in infant mental health/parent-child interactions. Dr. Briganti is a graduate of the Certificate Program in Infant Mental Health affiliated with Chatham University. She is a board member of the Delaware Valley Group/World Association of Infant Mental Health, founder of the Infant Mental Health Peer Supervision Group of Philadelphia, and co-leader of a parent-toddler group offered by the Psychoanalytic Center of Philadelphia. Dr. Briganti has given talks and workshops at local preschools on child development. She has a particular interest in infant-parent psychotherapy and infant developmental assessment, and is building a private practice in Rosemont, PA.

Fall 2009 Workshops

Loss and Traumatic Stress, Child Sexual Abuse Treatment & Early
Childhood Mental Health Treatment Series

Introduction to Early Childhood Mental Health

Chiara Nuzzo, PhD

Friday, September 25th, 2009 9:00am-4:00pm

University Center | Webb Room

ECMH Core 1 | LT elective | CSA elective | ACT 48 | 6 CE Credits

Workshop Description

This full-day workshop provides an overview of the early childhood-family field in general and early childhood mental health in particular. We will cover the field's history, most important contributors, and its guiding principles of practice. What does it mean to be an early childhood-family practitioner and how do we differ from other professionals? Next we will address the influential theories that have guided our understanding and practice- namely the transactional developmental model and models for working with multi-risk families. We end with a review of relationship-based work and reflective practice-ideas and practices focused on the self-development of the practitioner.

This workshop is the Core Knowledge Part 1 for the Early Childhood Mental Health Certificate Program.* It applies as an elective to both the Loss and Traumatic Stress and the Child Sexual Abuse Treatment Certificate Programs.

Objectives

Participation in this program will enable you to:

- Delineate the guiding practices of the early childhood mental health provider.
- Understand the eclectic and comprehensive service roles of providers in this field.
- Describe the transactional developmental model.
- Understand a multi-risk model for conceptualizing and organizing early childhood mental health treatments.
- Delineate the principles of relationship-based work.
- Define reflective practice and its role in professional development.

LT = Applies to the Loss and Traumatic Stress Certificate Program

CSA = Applies to the Child Sexual Abuse Treatment Certificate Program

ECMH = Applies to the Early Childhood Mental Health Certificate Program

ACT 48 = Workshop approved for ACT 48 credits

Individuals do not need to be enrolled in a certificate program to attend this workshop

*Note: Mandatory/Core Knowledge workshops from one certificate program cannot be applied to another certificate program. Electives can be credited towards the LT and CSA certificates, provided they are designated as applying to both.

Fall 2009 Workshops

Loss and Traumatic Stress, Child Sexual Abuse Treatment & Early
Childhood Mental Health Treatment Series

**Addressing Boundary Issues: Ethical
and Clinical Considerations**
Linda Knauss, PhD

Friday, October 2nd, 2009 9:00am-12:00pm
University Center | Webb Room
LT Foundation | CSA Elective | ACT 48 | 3 CE Credits

Workshop Description

Therapeutic boundaries are the rules of the professional relationship. The purpose of these rules is to provide structure and safety in order to prevent harm to clients. However, not every boundary crossing is a problem, and some boundary crossings may even be helpful. This workshop will provide the opportunity to discuss ethical dilemmas related to accepting gifts, therapeutic touch, non-traditional settings for therapy, and non-sexual relationships after termination. The importance of consultation will also be emphasized. Participants are invited to discuss ethical dilemmas from their own practices.

Objectives

Participation in this program will enable you to:

- Distinguish between boundary crossings and boundary violations
- Describe ethical and risk management issues with subtle boundary crossings
- Identify appropriate responses when clients make serious challenges to therapeutic boundaries

LT = Applies to the Loss and Traumatic Stress Certificate Program
CSA = Applies to the Child Sexual Abuse Treatment Certificate Program
ECMH = Applies to the Early Childhood Mental Health Certificate Program

ACT 48 = Workshop approved for ACT 48 credits
Individuals do not need to be enrolled in a certificate program to participate in this workshop.

*Note: Mandatory/Core Knowledge workshops from one certificate program cannot be applied to another certificate programs. Electives can be credited towards both the LT and CSA certificates, provided they are designated as applying to both.

Fall 2009 Workshops

Loss and Traumatic Stress, Child Sexual Abuse Treatment & Early
 Childhood Mental Health Treatment Series

**The Heart of the Matter: Concepts and
 Techniques of Child Sexual Abuse
 Psychotherapy**

Constance Pelesh, MS, LPC and Panel

Friday, October 20th, 2009 9:00am-4:00pm
 University Center | Webb Room
 CSA Core 3 | LT Elective | ACT 48 | 6 CE Credits

Workshop Description

The morning will focus on crucial aspects of the therapeutic environment that lead to successful treatment of child sexual abuse, regardless of theoretical approach or technique. Citing recent findings on brain changes after traumatic stress, management of the trauma experience in therapy will be discussed, with a particular emphasis on the role of dissociation. Case vignettes will be presented to illustrate these points. The afternoon panel of clinicians with specialized training in different techniques will compare these techniques to further elucidate how to bring about healing and health in the recovery process. Afternoon Panelists include:

Sara Moore Hines, LPC, NCC, MCAT, ADTR
 Therapist, Family Support Line and Private Practice, Drexel Hill, PA
 Movement Therapy, Group Therapy

Constance Pelesh, MS, LPC, NCC
 Therapist, Family Support Line and Private Practice, Media, PA
 EMDR, Group Therapy

Anthony Goldsmith, MA, BCETS
 Clinical Director, Family Support Line and Private Practice, Media, PA
 Family Therapy

Jane Mackay, MA
 Therapist, Family Support Line and Private Practice, Media, PA
 Play Therapy, EMDR

Elizabeth Musewicz, MS, LPC
 Therapist, Family Support Line and Private Practice, Swarthmore, PA
 Cognitive Behavioral Therapy

Pat Kosinski, MSS Moderator
 Executive Director, Family Support Line

This is the Core Knowledge Part 3 for the Child Sexual Abuse Treatment Certificate and applies as an elective to the Loss and Traumatic Stress Certificate

Objectives

Participation in this program will allow you to:

- Create a comforting environment that encourages sharing.
- Promote and model boundaries that ensure a sense of safety.
- Observe the impact of betrayal on the client's relationships, both in the therapy and in the larger world.
- Recognize the importance of educating clients about the dynamics of sexual abuse and personal safety.
- Discuss recent developments which have impacted the treatment of childhood sexual abuse.
- Identify how different treatment techniques can help the client process traumatic material.

LT = Applies to the Loss and Traumatic Stress Certificate Program

CSA = Applies to the Child Sexual Abuse Treatment Certificate Program

ECMH = Applies to the Early Childhood Mental Health Certificate Program

ACT 48 = Workshop approved for ACT 48 credits

Individuals do not need to be enrolled in a certificate program to participate in this workshop.

Fall 2009 Workshops

Loss and Traumatic Stress, Child Sexual Abuse Treatment & Early
 Childhood Mental Health Treatment Series

**Lions and Tigers and Bears:
 The Multi-Systems Complexity of
 Child Sexual Abuse**

**Anthony Goldsmith, MA,
 Mary Hove, MS, and Panel**

Friday, November, 20th, 2009 9:00am-4:00pm
 University Center | Webb Room
 CSA Core 4 | LT Elective | ACT 48 | 6 CE Credits

Workshop Description

Techniques to use with a child who discloses abuse will be reviewed, with an emphasis on encouraging expression while not leading the child, and ways to avoid questions that may contaminate an investigation. Child protective service (CPS) reporting scenarios will be used for illustration. The roles of various entities in child sexual abuse will be delineated, including those of family members who face crises of their own. Parents who have experienced this trauma are included to help enhance the framework for healing. The unique intersystem coordination in Delaware County, PA allows us to bring together a panel from child welfare and the legal system for a lively and spirited discussion of the issues around investigation and prosecution. Afternoon panelists include:

- Marie Boulden, MA CPS Investigations
 Program Director Sexual Abuse Center, Children and Youth Services of Delaware County
- Adam Sendek Criminal Investigations
 Delaware County Criminal Investigative Unit, Office of the District Attorney
- Michael Galantino, Esq. Criminal Proceedings
 Deputy District Attorney Delaware County, Special Victims and Domestic Violence Division
- Chris Pawlowski Probation/Parole
 Supervisor, Delaware County Probation/Parole Sexual Offender Unit
- Women Against Rape
 Delaware County
- Tony Goldsmith, MA
 Family Support Line, Clinical Director, Therapist perspective and interaction with the systems
- Pat Kosinski, MSS
 Moderator Executive Director, Family Support Line

This is the Core Knowledge Part 4 for the Child Sexual Abuse Treatment Certificate and applies as an elective to the Loss and Traumatic Stress Certificate.

Objectives

Participation in this workshop will enable you to:

- Explore the role of therapist bias in sexual abuse disclosure.
- Differentiate therapist and CPS investigator roles.
- Incorporate techniques that enhance a child's comfort level and promote the child's ability to give a report.
- Describe the prevalence and effects of denial on nuclear and extended family relationships.
- Identify the roles of child protective services, criminal investigation, prosecution, and probation.
- Recognize the importance of collaboration and relationships with the various systems involved in CSA.

LT = Applies to Loss and Traumatic Stress Certificate Program
 CSA = Applies to Child Sexual Abuse Treatment Certificate Program

Fall 2009 Workshops

Loss and Traumatic Stress, Child Sexual Abuse Treatment & Early
 Childhood Mental Health Treatment Series

The Core Knowledge of Early Childhood Mental Health

Elizabeth Bogado Briganti, PsyD

Friday, December 4, 2009 9:00am-4:00pm

University Center | Webb Room

ECMH Core 2 | LT Elective | CSA Elective | ACT 48 | 6 CE Credits

Workshop Description

This content-rich workshop provides participants with a comprehensive introduction to the research and knowledge base of the field. Practice-relevant topics will include attachment theory and its applications and the research on infant temperament and how it can guide parenting decisions. Finally, we will explore the fascinating research on brain development, how stress & trauma affect brain development, and how to support growth in young children.

This workshop is the Core Knowledge Part 2 for the Early Childhood Mental Health Certificate Program.* It applies as an elective to both the Loss and Traumatic Stress and the Child Sexual Abuse Treatment Certificate Programs.

Objectives

Participation in this workshop will enable you to:

- Define Infant and Early Childhood Mental Health
- Describe theories of attachment and their implications and clinical intervention
- Delineate the main temperament types and how this knowledge can inform parenting practices
- Describe brain growth and development in the early years and how stress and trauma impact child development outcomes
- Outline areas of intervention and learn strategies of when and how to intervene.

LT = Applies to the Loss and Traumatic Stress Certificate Program

CSA = Applies to the Child Sexual Abuse Treatment Certificate Program

ECMH = Applies to the Early Childhood Mental Health Certificate Program

ACT 48 = Workshop approved for ACT 48 credits

Individuals do not need to be enrolled in a certificate program to participate in this workshop.

*Note: Mandatory/Core Knowledge workshops for one certificate program cannot be applied to another certificate program. Electives can be credited towards the LT and CSA certificates, provided they are designated as applying to both.

Directions to Widener University

Widener University is conveniently located just south of the airport and only a block off of I-95 (Exit 6). Comprehensive directions, and printable campus and parking maps are available on our website at www.postgraduatecenter.org.

- From Philadelphia: Take I-95 South to I-476 North and MacDade Boulevard. Follow the Widener University sign (turn right off the exit). MacDade Boulevard will become East 22nd Street. Turn left onto Providence Avenue, Route 320 South. Follow the Widener University sign. Turn left onto East 14th Street into the main entrance of the university. University Center is located on 14th Street. (There are small parking lots and street parking nearby.)
- From Delaware: Follow I-95 North to Exit 6 (Routes 320 and 352) in Pennsylvania (not Delaware). At first traffic light, turn left over bridge. Bear right at fork on other side of bridge. Go to first traffic light and turn right onto East 14th Street into the main entrance of the university. The University Center is located on 14th Street. (There are small parking lots and street parking nearby).
- From Central New Jersey: Take NJ Turnpike South to Exit 2. Proceed on Route 322 West across the Commodore Barry Bridge. Follow signs for I-95 North and Philadelphia to I-95 North. (See "From Delaware" directions above.)
- From Southern New Jersey: Take the Atlantic City Expressway to I-295 South to Commodore Barry Bridge. Thereafter, follow instructions from Central New Jersey.

You may park in any legally marked spot you find. If you are mistakenly ticketed while attending a workshop, let us know. Widener is a small, intimate campus with ample parking. Most buildings are within a four-block radius, making parking and walking to your desired location fast and easy.

Things to Remember

- Please arrive at Widener 30 minutes before the workshop begins to allow time to find parking, walk to the meeting room, use the restroom, sign in, get some food, and settle in.
- For your convenience, coffee, tea, water and bagels will be provided during the morning session. Lunch is not provided, but there are several options nearby (see below).
- Dress in layers so that you can regulate your comfort level.
- As a courtesy to our speakers and other audience members, please silence all cell phones, beepers, and pagers.
- Certificates of attendance will be given out at the end of each program. In compliance with APA requirements, participants must be present for the entire program to receive CE credits.
- In compliance with APA requirements, if you are requesting CE credits, you must complete a demographic and evaluation form in order to receive a certificate of attendance. Your honest feedback is appreciated; both the presenters and the Post-Graduate Center will use them for improvement.
- We hope that your experience is a good one. If you would like to discuss any concerns, complaints or make any suggestions, contact Antoneal Swaby at the Post-Graduate Center via phone at 610.499.1083 or e-mail at clinicalpsychologypgc@mail.widener.edu.

Places to Eat

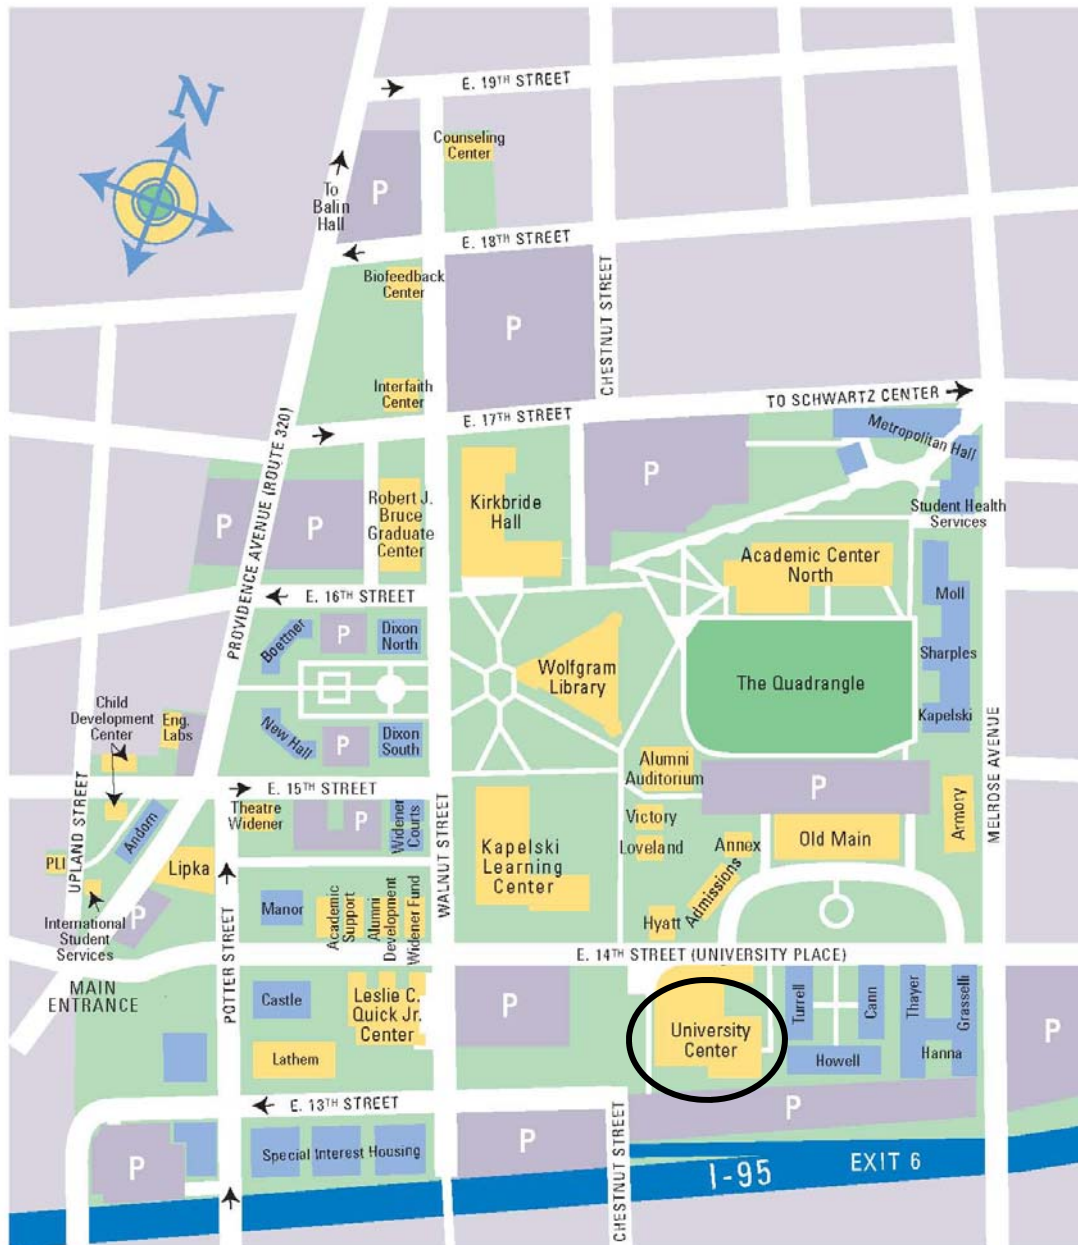

- The *Real Food on Campus* kiosk, located inside University Center near the entrance, offers sandwiches, salads, bottled water, juice, soda, and snacks.
- The *Student Dining Hall*, located around the corner from the kiosk, offers an all-you-can-eat lunch menu.
- The *MacStreet Grill* is on the lower level of University Center and offers sandwiches and convenience store items.
- *Quiznos* offers a selection of sandwiches and entrees and is located on the lower level of University Center.
- There is both a deli and a Chinese take-out store on Providence Avenue between 16th and 18th Streets.
- There is a *WAWA* convenience store with a deli on 22nd Street near 476.

The Post-Graduate Center
 Institute for Graduate Clinical Psychology
 Widener University
 One University Place
 Chester, PA 19013
 Tel: 610.499.1083 | Fax: 610.499.4625
clinicalpsychologypgc@mail.widener.edu
www.postgraduatecenter.org

PLEASE NOTE: There is an additional \$10.00 fee to register for workshops onsite. Confirmation of registration will not be sent.

Policy notes: You may transfer 100% of your registration fee to another program within the 2009-2010 Continuing Education Workshop schedule, provided you notify the Post-Graduate Center at least **7 days** prior to the workshop. Participants who cancel a course and do not apply their fee to another program will be granted a 50% refund. Participants who do not advise the Post-Graduate Center office in advance of their absence or notify us less than **7 days** prior to the workshop for which they are registered will forfeit 100% of their fee. The Post-Graduate Center reserves the right to substitute an appropriate speaker for a given program without notice in the event of rare extenuating circumstances. If a program must be cancelled by the Post-Graduate Center due to inclement weather or other unforeseen circumstance, full refunds will be granted. There is a \$10 fee to replace lost or stolen CE certificates.
